**COLLEGE MINISTRY:** We want to let our college kids know how important they are and that they are a part of OUR community at MoSt. College age ministry is in need of 2 things: 1) Please turn in names to the church office of any of our kids who are current members and are in college. 2) People willing to sponsor, pray for, and encourage these kids so they know they are an important part of our church. If you'd like information how to do this OR you know you'd like to help please contact Natoshia Wooten or Sue Cash.

**CHILDREN'S HOMES, INC.** is seeking families interested in providing Foster Care in their homes. We are in particular need of families willing to care for older children (school age) and siblings, but families interested in helping any aged child should attend. The Zoom meetings will give you details on what is required to become a foster family and will answer any questions you might have. You may attend either meeting: **Tuesday, October 20<sup>th</sup> from 6:30 – 7:30pm OR Saturday, October 24<sup>th</sup> from 1:00 – 2:00 pm**

If you are interested, email Lori Vandagriff at [lori@childrenshomes.org](mailto:lori@childrenshomes.org) or call our Searcy office at 501-268-4330 and let us know which date you would like to attend. We can then send you the link to join us from your own home. Please give prayerful consideration to join us in the ministry of caring for abused and neglected children.

### WE FEEL CAGED:

2020 has been a year we have felt constrained, captive and caged from the world we have come to know. Camp Tahkodah 2020 is designed to give you a break from those cages we have found ourselves in. These 2 days, we will focus on the voices that keep us behind our own bars. We will focus on the words of Christ and the freedom he gives us from those cages. There is a stirring in this world and it's time to break free from what holds us back.
