THANK YOU: I just don't know where to start or how to explain how much the total outpouring of love our family has received from our MoSt family has meant to us recently. Even when our sweet Bobby was suffering with many ailments from the beginning we were blessed with so many cards and calls and

so many thoughtful acts of kindness. My sweet brothers and sisters in Christ, each of you mean so very much to us and the way you surrounded us and lifted us up in prayer and supported us when Bobby was called home was something so special. To our Jimmy and Shelia Pike, our wonderful life group members, to all of you who stood in line for so long to offer words of comfort and give us warm hugs and share tears, the wonderful group of special men and women who lovingly prepared a delicious meal for our family for after the services, the list of people could go on forever. A very special thank you has to go to both Mike Seale and Keith Nicholson for the wonderful message and song service which were just totally perfect. So many of our friends have already told us they have never been privileged to be a part of such an emotional and uplifting celebration of life before and I'm so glad they could experience it with us. Praise God! Please continue to remember us in prayer as we try to stand tall and honor Bobby day by day until our race is won and we have our Victory in Jesus too. Deana, Dale & Holli, Ben & Emily, Parker, Ryan, Jake, Brooklyn and Taylor Gene Stewart
