From Chris & Sue Cash: Thank-you to all of Matthew Cash's AIM supporters! Matthew had a goal of \$2000 dollars for a one-time goal above and beyond his normal support for travel and other expenses, and with each of your help, that goal was realized. The exact total reached is right around the \$2000 amount, although an extra check or two may still be added to the grand total. God turned a \$550 dollar investment of food and materials into this larger goal. There were some people who just handed one of us a check or cash, and didn't want any food, and others who would have gone out to eat chose to contribute to our son's mission effort at the suggested \$25, or sometimes a little extra. Got to tell you this, though. One member bought the meal for the \$25, ate it, and then came back to Susan and said something like "that meal fed 4 of us, and was really good. You undercharged!" and then they wrote a check for even more money to help Matthew. We tried to put this effort into the Lord's hands, and He blessed it. Again, THANK-YOU for your support in this effort, and for the monthly support you are providing as well. We also know that Matthew covets your prayers for his training and work in Mexico City, Mexico as well. Please encourage our MoSt youth to be thinking about enrolling in this program- the Bible training and experiences are life-changing for our teens! May the Lord be lifted up!
