THANK YOU

Dear Missouri Street Church Family,
Our family cannot even begin to thank you for everything you have done for us, espe-

cially these past few months when our mother became so sick.

As you all know, our family loves Missouri Street Church and the lifetime of memories we have made, we will cherish forever. How wonderful and comforting it was for Kevin and I to be back among our lifelong friends and receive all of your wonderful comments and hugs.

To each of you that helped with mom's service, the brunch and the livestream we thank you from the bottom of our hearts.

Kevin and I will always think of Missouri Street as our home, and we love each of you dearly. Our mother would have been so pleased to know that in our time of grief, you went above and beyond to help Kevin and I through her passing. We miss our mother every day, but we are so thankful that God received her home.

Karen & Steve Needham,
Kevin & Sheri Trevathan

LETTER FROM JOHN & SHERRY WARMATH

As most of you probably already know Sherry and I are moving to Gallatin, TN which is on the Northeast side of Nashville, TN.

We have been planning for this move for a few years now and it's finally here. We will be about 2 miles from our grandchildren and will be able to help our daughter and son-in-law with the children. They have

been waiting for this for quite a while now. We have been members here and worked closely with our church family for about 40 years. To say the least, yes, we will miss all of you but it is time for us to move on. As I told Richard Runions Thursday it's not so much that we are leaving all of you but rather we are taking a part of each of you with us to a different part of the country.

Of course, we will be back to visit especially when we come back down to see our doctor we will make it a weekend and be able to stop in here.

Also, because of the move I am resigning as a Deacon effective immediately. We hope to be able to find a church home over there as soon as possible and one that we can become as close to as we have here at Missouri Street.
