### THANK YOU

There aren't enough words to say how thankful I am to my church family for all the love, calls, and prayers! I truly believe that your prayers are what got me through all of this! The doctors told my family that they did not think I would make it through this hospital admission due to the critical condition I was in. Your continuous prayers proved them wrong and for that I can never thank you enough!! Your faith and love provided got me through this. I still have a long way to go but I am getting stronger every day! Thank you again from me and my family! Sherry Blanchard

### SYMPATHY
