THANK YOU: On behalf of the WINGS steering committee, I would like to say thank you to everyone who took time out of their busy schedules to join us Tuesday night. Your support of this ministry has just overwhelmed us. It was so good to see so many smiles and hear sounds of laughter and joy throughout the evening. We are already planning our next event probably in February so get prepared for more fun and fellowship. A special thank you to all those who participated in the cooking and preparations. Everything was delicious and the fellowship hall never looked as beautiful as it did Tuesday night. There is always room for more on our steering committee so if you are interested, please contact me. Deana Stewart
